### 1. Remembering

- Dream jobs you had as a child.
- The most enjoyable subjects you have studied.
- Areas where you have had some work experience.
- Activities that appeal to you when you see them in documentaries or articles.
- Jobs done by family or friends that you find fascinating.
- Advertised jobs that appealed even if you did not apply for them.

### 2. Three great days at work

Think about a time when you had a great day at work. A day when everything went well and you went home energised.

- What were you doing?
- What did you enjoy?
- What did you achieve?

3. 

### 3. Imagining

- What jobs have you ever imagined doing?
- If you could do someone else's job for a day what would it be?
- If all jobs paid the same what would you choose?
- Who are your role models or champions – what sectors are they in?
- If you won the lottery and didn’t have to work what would you do for nothing?

### 4. Inspiration

Add in any other ideas that occur to you.

- What happens when you combine ideas together.
